

## LANDFILL TRANSFER STATION POLICY

### Introduction

This policy has been designed for the Richmond Landfill Transfer Station located at NW 23-17-28 W3 as a reference for the landfill operator, users, and the municipal employees.

Council of the R.M. of Enterprise No. 142, under the recommendations from the Landfill Committee has been revising the permit for the landfill in accordance with legislation under the Ministry of Environment. The goal is to provide ratepayers with a location to dispose of recyclable materials, clean wood, scrap metal, appliances, and chemical jugs. This policy, fees associated with, and materials collected are subject to change at the discretion of the Council.

### Regulations

1. Landfill users must see the site operator before any dumping. The site operator will indicate where materials are to be dumped.
2. Materials to be accepted include the following: recycling, clean wood, yard waste, scrap metal, metal appliances and chemical jugs.
3. Refer to Exhibit 'A' from Triways Disposal Services for a list of acceptable items to recycle.
4. Clean wood and yard waste will be accepted into the clean wood pile.
5. Scrap metal items with mixed materials (such as plastic and wood) will not be accepted.
6. Appliances will not be accepted unless doors and lids have been removed, as a safety precaution.
7. Chemical jugs and containers must be triple rinsed and bagged.
8. Anyone who does not comply with the regulations shall be prohibited from using the landfill.
9. No items shall be removed from the landfill.
10. There will be no access to the landfill outside of hours of operation unless otherwise authorized by the R.M. Administrator.
11. **The R.M. is not collecting garbage at the landfill** as all R.M. residents have farm-to-farm garbage bins on their farm site.

A reminder to residents that the acts of burning and dumping waste are illegal. Refer to *The Environment Management and Protection Act of 2010* and *The Environment Management and Protection Regulations of 2015*.
